

BRING AUTO

By submitting this form, you agree and consent to your personal data which you provide to the administrator for the purpose of being contacted in context of projects and products of the BringAuto s.r.o. company. Within the context of your personal data processing you have the following rights:

- (1) to access personal data,
- (2) to have inaccurate or false personal data corrected or amended,
- (3) to have personal data deleted if they are no longer needed for purposes which they were collected or else processed for, or if you find out they are processed against the law,
- (4) to abridge personal data processing in specific cases,
- (5) to raise an objection after which your personal data processing will be terminated unless there is a proof of existence of relevant lawful causes for processing, which predominate over your concerns or rights and freedoms, particularly if the cause is a potential recovery of legal claims, and to appeal to The Office for Personal Data Protection.

For further information or for enforcement of your rights, please contact andrea.najvarkova@bringauto.com
